**65 STANDARD
COLOURS**

 | PALETTE

**42 BLACKOUT
COLOURS**

 | BANLIGHT

Whether you wish to mix and match product types within your room, or co-ordinate from one room to the next, our Palette and Banlight fabrics are available in both Roller and Vertical.

Flame Retardant

Our Palette and Banlight fabrics have flame retardant properties, giving you peace of mind in your home.

Stay Fresh Coating

We apply a Stay Fresh coating to our Palette and Banlight fabrics which forms a protective barrier to prevent mildew so blinds stay fresher for longer.

Wide Width Available

Both Palette & Banlight ranges are available in a wider width, giving you flexibility to choose these fabrics for larger windows.
